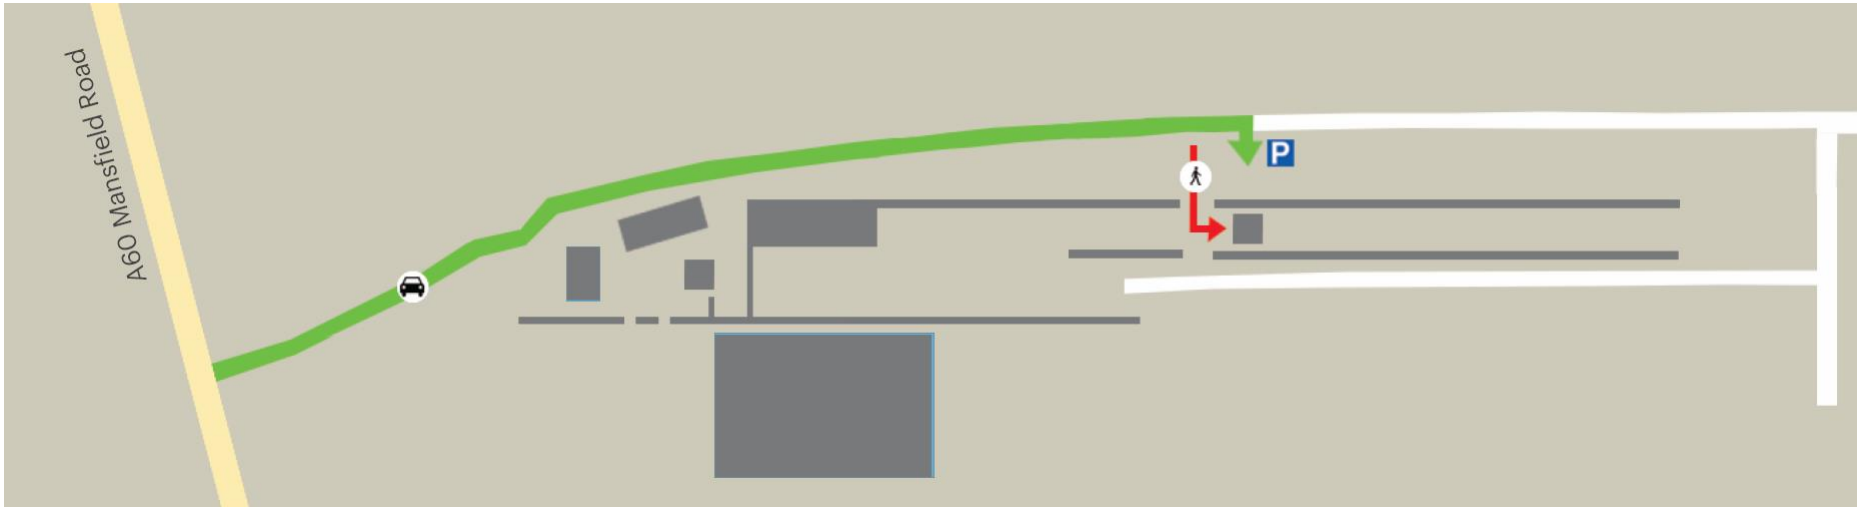
HOW TO FIND THE EDUCATION STUDIO



When attending this event, please drive directly to The Harley Studios and park by the Education Studio.

When you arrive at the main entrance for Welbeck, take the left-hand fork signposted 'All Other Traffic'. Follow this road and you will pass the back of the galleries, and then you will see a high stone wall on your right. Continue until you reach the third wooden arched gateway in this wall, which has a green estate sign outside.

Park in the bay in front of the gate, walk through, and the Education Studio is directly on your left.
