Health and Safety during Holiday Club: Cook + Create

We need to ensure your safety during Holiday Club: Cook + Create and therefore the following information will be explained to you before you begin your sessions with us. Please add your initials to the box at the bottom of this form to show you have understood all the information.

- Treat others as you would wish to be treated, including other participants, visitors and our staff. We're a friendly bunch and wish to keep it that way!
- Our activities take place in professional spaces. We expect all participants to treat our spaces, equipment and tutors with respect, and follow instructions promptly and safely. Equipment should only be used with explicit permission.
- When using knives, it is essential to listen to and follow the safety instructions given. Knives will be counted out at the beginning and back in at the end of each session. You are responsible for returning the knife you were given.
- If you do not understand any of the instructions relating to your tasks, please ask for help. The educator and technician will be happy to assist you.

Please write the date and your initials here to show you understand:
